

After Action Blast for the 2008 Annual Meeting

**Please print form, complete and fax to USAFP Headquarters at 804-968-4418**

The USAFP Program Chairs want to be sure your CME needs are being met at the USAFP Annual Meetings. Please take a moment to complete the following questions. Your input is vital to preparing the best possible Annual Meetings.

**If you attended the 2007 Annual Meeting, please complete Sections I and III. If you were unable to attend the 2007 Annual Meeting but plan to attend future Annual Meetings, please complete Sections II and III.**

**Section I - Start here if you attended the 2007 USAFP Annual Meeting** (if you did not attend the Annual Meeting, please go to Section II).

Please indicate the amount of coverage given each of the below listed categories (Please place a check or 'x' in the appropriate box).

	<b>Not Enough</b>	<b>Just Right</b>	<b>Too Much</b>

**STOP! Please proceed to Section III!**

After Action Blast for the 2008 Annual Meeting

**Section II – Start here if you were unable to attend the 2007 Annual Meeting.** Please indicate the level of coverage you feel each of these topic categories deserves in the future (Please place a check or ‘x’ in the appropriate box).

	More Coverage	The Same	Less Coverage
Adult Medicine			
Back Pain/OMT			
Business of Medicine/Coding			
Cardiology			
Dermatology			
Endocrinology			
Ethics			
Faculty Development/Teaching			
Future of Family Medicine			
Gastroenterology			
Geriatrics			
Gynecology			
Information Technology			
Interfacing with Specialists			
Leadership			
Neurology			
Obstetrics/Maternity Care			
Operational/Military Unique			
Pediatrics			
Pharmacology			
Population Health			
Procedures			
Pulmonology			
Research			
Rheumatology			
Sports Medicine/Ortho			

**Please continue on to Section III!**

After Action Blast for the 2008 Annual Meeting

**Section III – For all respondents**

Please rate the amount of time and space given to each of the following educational formats and programs (Please place a check or 'x' in the appropriate box).

	<b>Not Enough</b>	<b>Perfect Amount</b>	<b>Too Much</b>
Main stage presentations <i>All members in one unopposed lecture</i>			
Break-outs <i>Groups of unrelated presentations running simultaneously with other sessions</i>			
Tracks <i>Group of 4 to 8 related presentations running concurrently with other sessions</i>			
Half-day workshops <i>One unified session running concurrently with other sessions</i>			
Full-day workshops <i>Same as half-day, except lasting all day</i>			
	<b>Yes</b>	<b>No</b>	<b>Maybe</b>
If a Wilderness Medicine course were offered at the 2008 Meeting, would you likely register for the course:			
	<b>Very important</b>	<b>Somewhat important</b>	<b>Minimally/not important</b>
How important do you feel it is for an ATLS class to be offered			

What specific Wilderness Medicine topics would you want to have covered? (write-in here):

After Action Blast for the 2008 Annual Meeting

Are there any other topics or categories you would like to see in future programs? (write-in here):

What topics would you like to see on the main stage (i.e. unopposed sessions for the general membership)? (write-in here):
