RESEARCH FORUM - 2006 ANNUAL MEETING

ABSTRACT REVIEW
POSTER / EDUCATIONAL RESEARCH

Please score each factor using the Likert scale. The highest score is 50 points. Use the total scores to arrive at a preliminary rank ordering of the papers in each category. This ranking should help you and the other judges to determine the best paper in each category.

TITLE:

1. Title and References — +++++ (1 Major Deficits … 5 Clear & Concise) ☐ Not Present
   - Title reflects content with key terms for indexing
   - References current/thorough/appropriate

2. Introduction/Background — +++++ (1 Major Deficits … 5 Clear & Concise) ☐ Not Present
   - Statement of purpose/Objective
   - Literature review
   - Needs assessment/Reason for intervention

3. Methods/Intervention — +++++++++++++++ (1, 5, 10, 15; 1 Confusing & Inappropriate … 15 Methodologically Sound) ☐ Not Present
   - Subject/Program description
   - Design
