Primary Researcher/s: Student Resident Staff < 5 Years Staff > 5 Years

Mentor/s: _____

Command/Institution: _____

Contact Name: _____

E-mail: _____

Phone: _____

USAFP Affiliation (AAFP Membership Number): _____

Collaborators: _____

We acknowledge that if selected, we will be expected to submit our results for presentation at the 2027 USAFP Assembly Meeting.

Required Proposal Elements:

1. Background: Topic literature review, new knowledge generated by the survey, and significance of research questions.
2. Objectives of proposed survey. Aims and hypotheses of proposed research questions.
3. Up to 10 proposed survey questions
 - a. For each question, explain how it addresses the objectives.
 - b. Using survey questions that have been previously validated in another population is encouraged.
4. Analysis plans.
 - a. Briefly describe comparison and type of statistics to be used.
 - b. The Clinical Investigations Committee will assist selected teams refine analysis plans.

Demographic Questions should not be included in the submission.

1. Standard demographic questions will be provided by the Clinical Investigation Committee (CIC).
2. All survey teams will have an opportunity to review and propose additional demographic questions prior to the survey being sent out.

*Proposals are limited to **2 - 4 single-spaced pages** (1-inch margins, 12-point font), not including this completed cover sheet.*

The Clinical Investigation Committee (CIC) will review the proposals and provide feedback and mentoring.
Please e-mail your completed application to Dianne Reamy at direamy@vafp.org.

Proposals are accepted on a rolling basis.
Deadline: 15 November 2025
